Parents Info session (Mid Aug)
Aug 14th

Coaching schedule released (Mid Aug)
Aug 14th

Registration and Payment (Mid Aug) - **Time sensitive,**
Opens on August 16 and closes on August 22 at 5:00 PM

Events assignment (~ 2 weeks after completion of registration)

Weekly event meetings begin: (1st Sep is our goal)
Contingent upon facility approvals and volunteer clearances

Practice Test / Quizzes – (coaches will do weekly 😊)

Invitationals (starting November - January TBD)

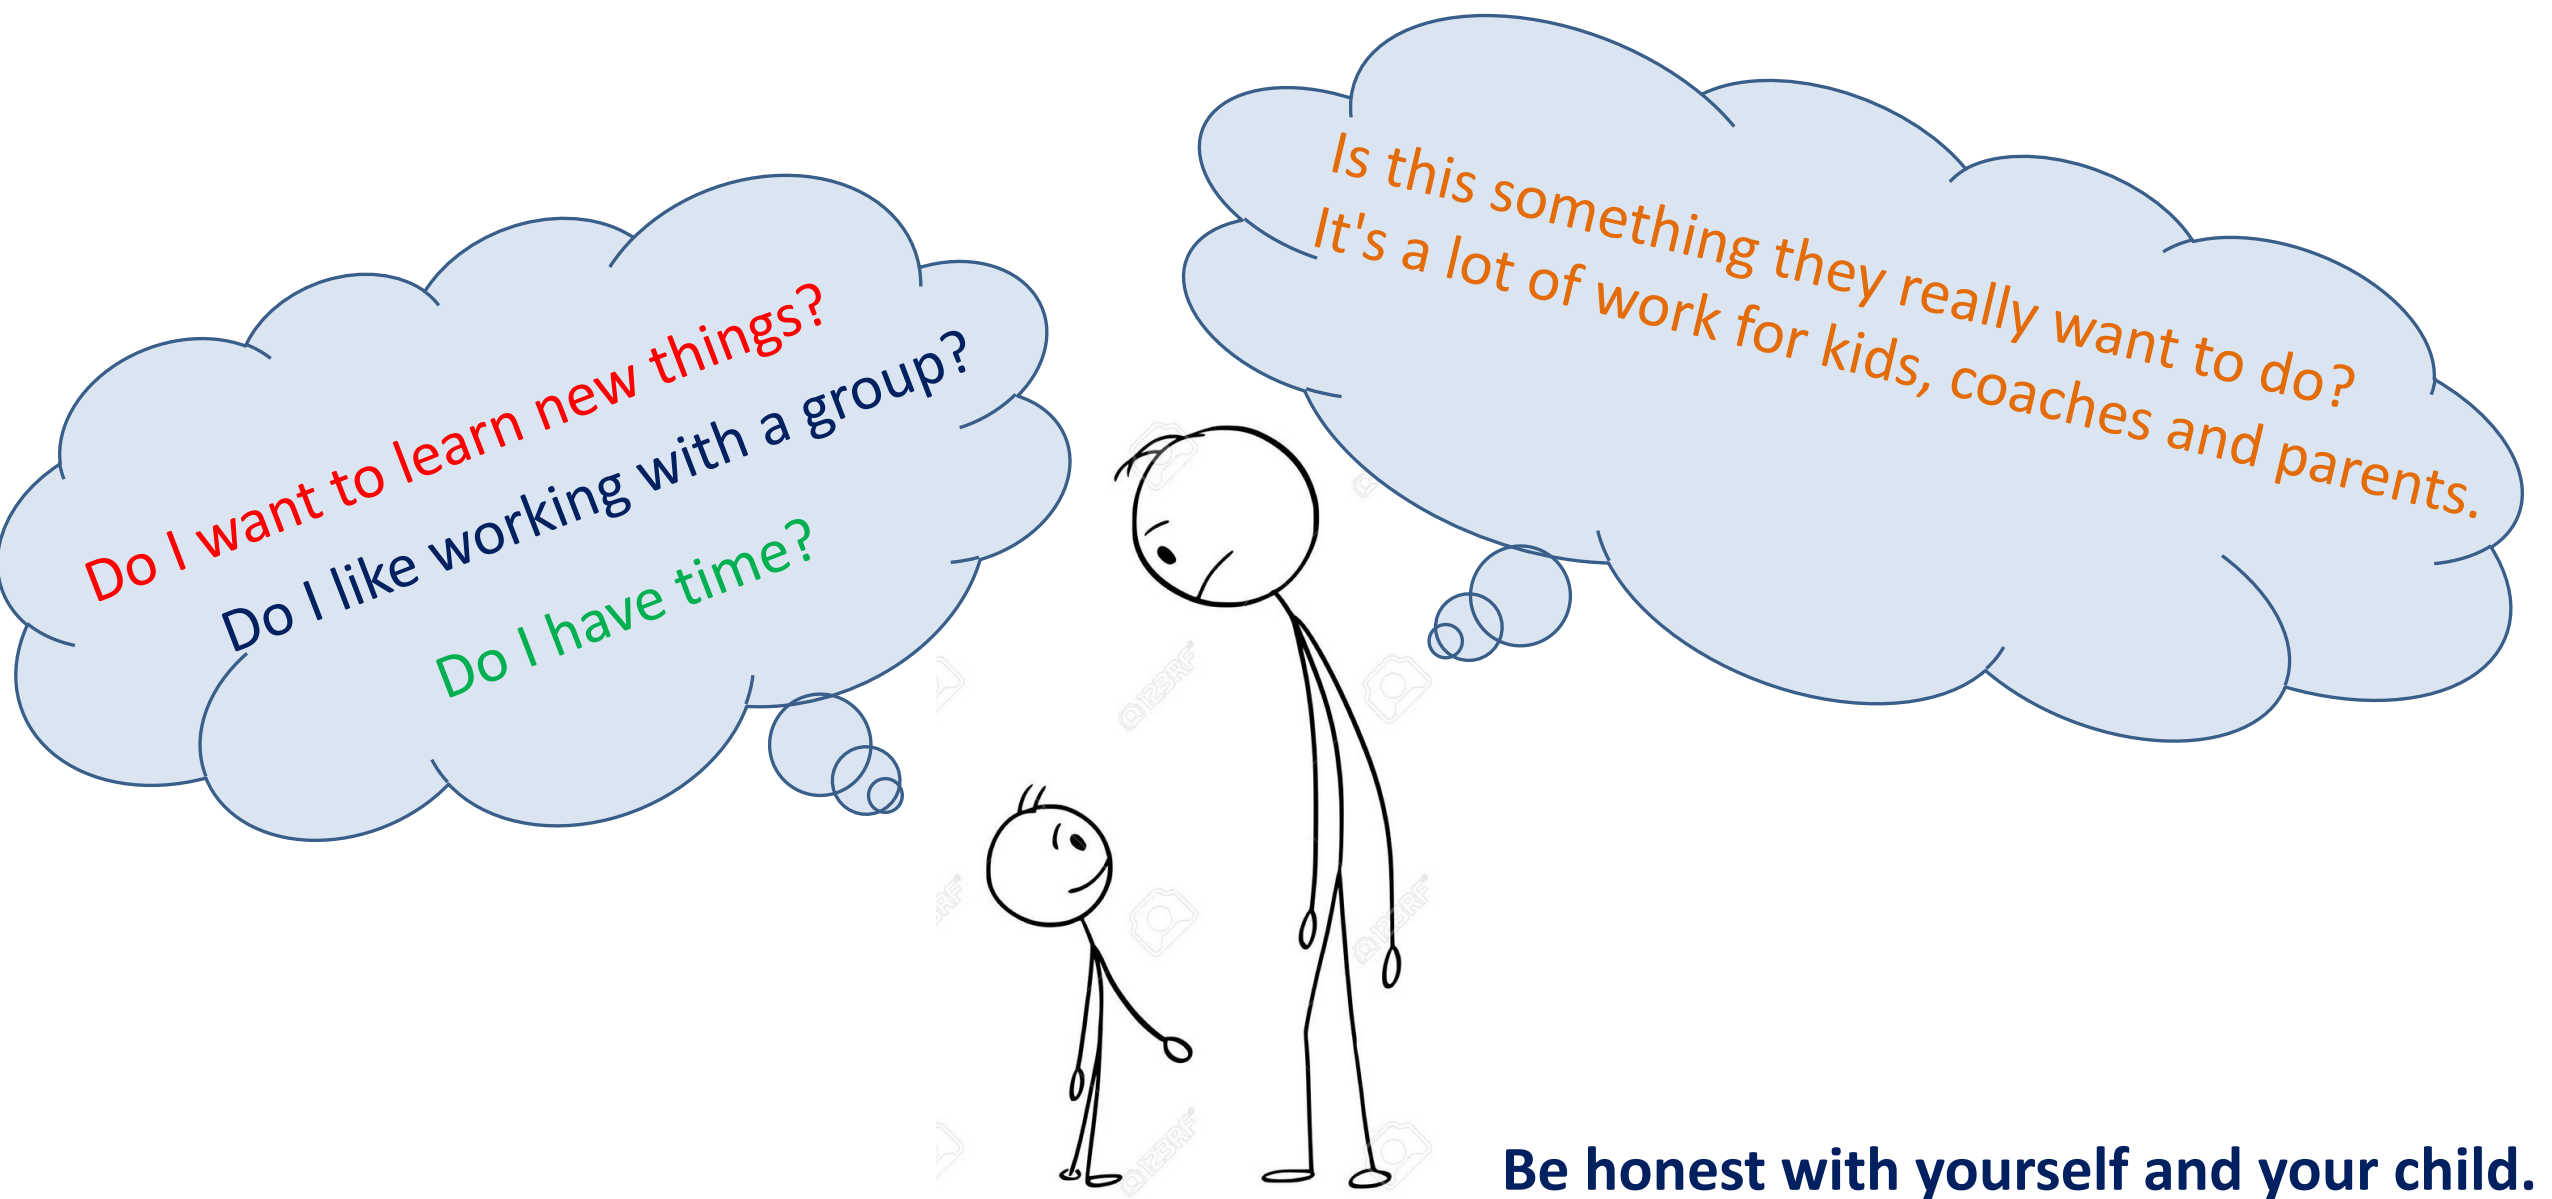

Regional Tournament (early February : TBD)

Commitment

- Science Olympiad is a team event
- If you don't believe your student can do full justice to the program:
 - attending the weekly classes for assigned events
 - Homework, assignments
 - Attending practice tournaments
 - Competing at Regionals

now, before you register, is the time to step back.

- Once a student is on the team, Not showing up affects the performance and standing of the entire team.

Registration Process

- **Registration:**
 - Read the rules carefully
 - Review events and coaching schedule
 - select events
 - make payment and complete registration
- **Registration Fees: \$200**
- **Covers:**
 - Registration costs for all the Tournaments
 - Coaching Materials
 - SciOly T-shirt for all students and coaches
 - Food for all in-person tournaments
 - End of Season/medal distribution party

Event Selection

- Be ready with your choice of events
- Rank your **top 10 events** in order (1 = most wanted).
- Your top 10 must include **at least 2 build events**: Boomilever, Elastic Launch Glider, Hovercraft, Ping Pong Parachute, Roller Coaster, and Scrambler.
- Review the coaching schedule carefully
- **Make sure the coaching slots of chosen events do not conflict with your other activities**
- You may select up to 3 events (**not** in your top 10) that your student absolutely

Note: We will use this information during event assignments and try to honor your ranking but are **not guaranteed** — in rare cases we may assign outside your top 10 to keep the team balanced

Once team formation is complete, no event changes are accepted

Partners

- If you prefer to be paired with a specific partner/friend, enter their name (and email) on the registration form;
- They must enter your student's name on theirs, and you should both submit an **identical top-10 list in the same order**.
- If you don't choose a partner, we'll match you with one.

Once team formation is complete, no partner change requests are accepted

Team Selection Criteria

- Spots are limited, submission of form and paying registration fees does not guarantee a spot in the team.
- We can only admit 90 - 105 students in the MMS SciOly Teams.
- Spot assignment will follow the following placement order:
 1. Prior placement and/or experience with Science Olympiad (applicable to 7th and 8th graders)
 2. Children of assigned coaches
 3. Grade level (8 > 7 > 6)
 4. First come first serve for 6th graders (except for 6th graders whose parents are assigned Coaches)

2027 San Diego Regional Tournament

Date : TBD (1st week of Feb)

Location: TBD (Usually at Miramar college)

Regionals : the big event

typically : in **February**,

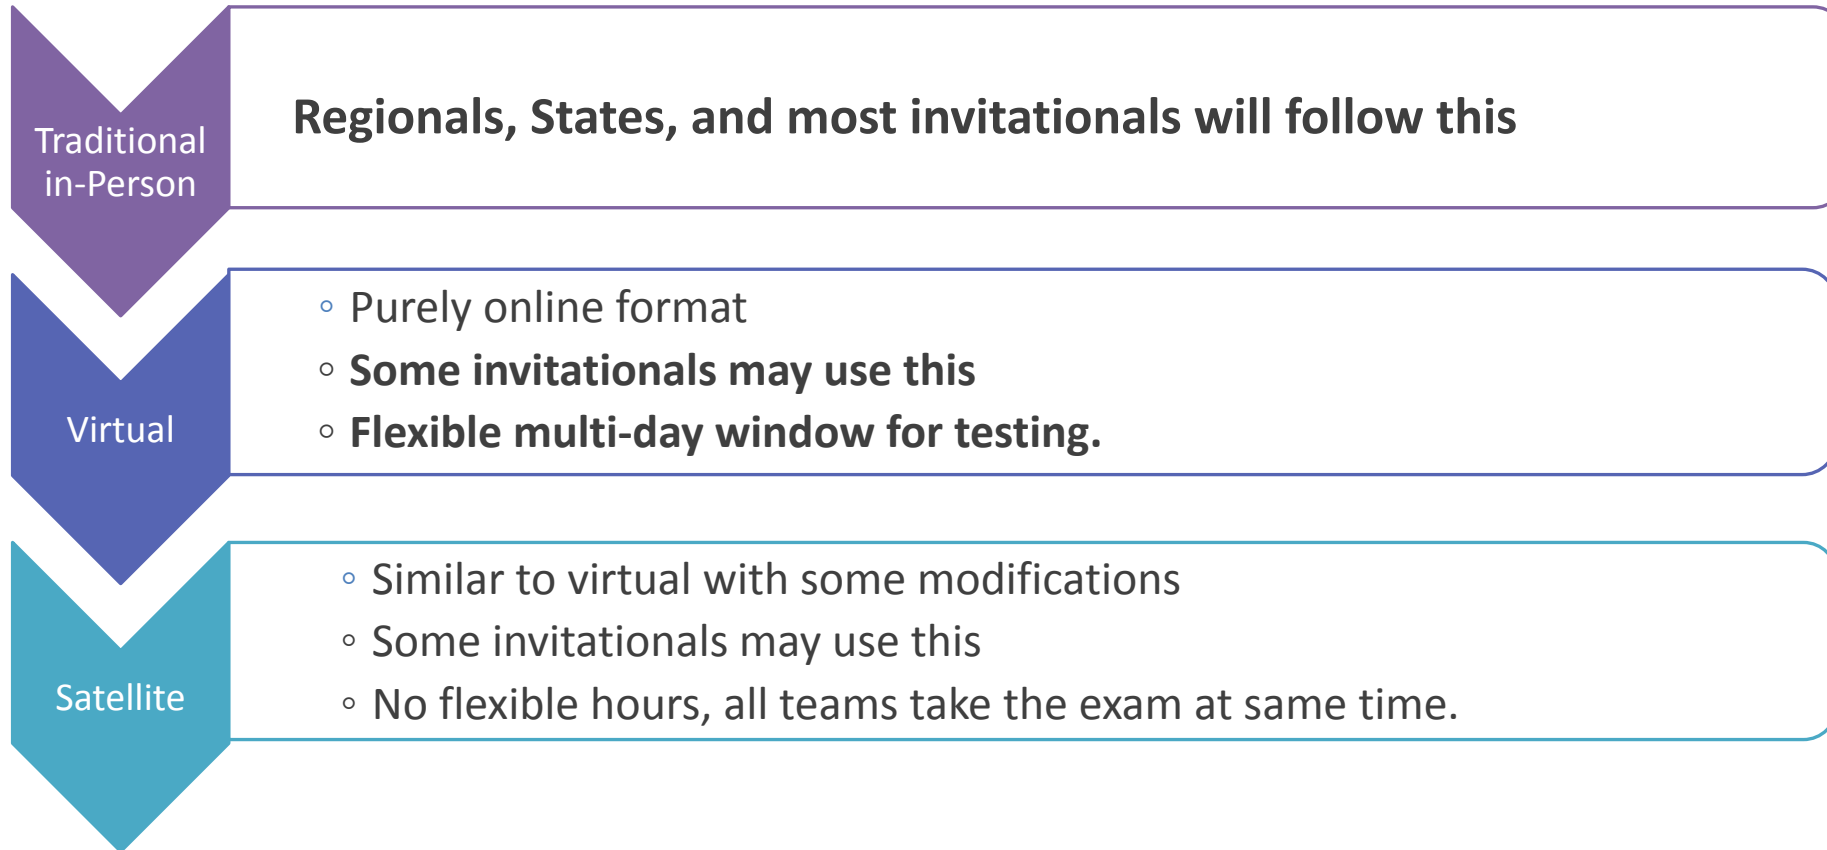

always on a **Saturday**,

runs **7am – 4pm** and prize distribution at end (**TBD**)

- States - Southern California - Extremely competitive - Only a few selected kids will go - Tentatively April first week
- Nationals - In May – extremely tough to qualify

Make sure your student is available to participate in the regional tournament in February before registering your student for the program

Tournament formats

Invitationals

Invitational Tournaments are great resources for team preparations and tryout.

In Person (TBD):

- Last year we did 2 (local)
- Target for this year is 4
- Dates TBD
- within SoCal
- May require driving to orange-county or Irvine

Online/virtual :

- last year we did 2
- May or may not be there this year
- Dates TBD

Satellite:

- Mostly none this year

We need volunteer/s to coordinate invitationals. Please consider signing up!

Note:

- We keep getting invites from various schools for their invitationals. We constantly evaluate which is best
- We will try to give as much notice as possible ahead of schedule, but be prepared
- Not all students/teams will go to same invitationals.
